

CAHS Research Committee: Annual Report for the 2022-2023 Academic Year

Members: Ashley Burch (HSIM), Heather Wright (CSDI), Denise Donica (OCCT), Myshalae Euring (DARS), James Lin (PTHE), Matthey Walenski (CSDI)

May 2022:

Documented feedback from the 2022 CAHS Research Day to improve for next year's event.

September 2022:

9/14/2022 CAHS Research Committee met. Ashley Burch (HSIM) was elected as committee Chair. Discussed offering a pilot research award, through a competitive application process, to faculty within the CAHS. Discussed the upcoming 7th Annual CAHS Research Day. Assigned Research Day related tasks to committee members. Discussed the Lunch and Learn events hosted by the CAHS Research Committee. Topic for the first event will be the CON-CAHS Research Administration Hub: Introduction and Overview by Ms. Jessica Miller.

November 2022:

11/07/2022 CAHS Research Committee met. Decided on the Keynote address for the CAHS Research Day, "Building Teams for Inclusion in Conducting Research." Decided on a topic for the Spring Lunch and Learn – ask Carlyle Rogers to speak about the iCorp and how to know if an idea is an invention with the potential for commercialization. Committee to review the CAHS Pilot Research Grant RFA. Discussed CAHS Research Day updates.

January 2023:

1/05/2023 CAHS Research Committee met. Reviewed the schedule for upcoming CAHS Research Day. Deadline for abstract submissions will be March 20th and Research Day will be held on April 26th. CAHS Pilot Research Grant applications will be due on January 15th. Following the deadline for submission, assignments will be made to committee members and outside reviewers as needed to evaluate and score submissions.

February 2023:

2/06/2023 CAHS Research Committee met. Discussed CAHS Pilot Research Grant applications – application reviews are due March 3rd. Discussed CAHS Research Day. Reviewed and assigned Research Day tasks.

April 2023:

4/05/2023 CAHS Research Committee met. Reviewed proposals awarded funding through the CAHS Pilot Research Grant RFP. Reviewed the agenda for the CAHS Research Day. A total of 81 abstracts were submitted, 14 oral and 67 poster presentations. Discussed and determined the number of awards (People's Choice and Judged Awards) to be distributed. Reviewed the list of faculty/graduate student volunteer judges. Reviewed and assigned Research Day-related tasks.

Activities:

- November 2, 2022: Fall CAHS Lunch and Learn
- March 1, 2023: Spring CAHS Lunch and Learn
- March 3, 2023: CAHS Pilot Research Grants Due
- April 26, 2023: CAHS Research Day

Report written and submitted May 2, 2023 by Ashley Burch, Chair of CAHS Research Committee.
